***Lesson 4***  
***One Way Streets***

***Objective:*** Your child will be able to think ahead and will know which lane of traffic in which to drive. He or she will be able to identify a one way street by one of three methods.

***Remember:*** Always turn into the nearest lane going your direction unless you are instructed to do other wise by a sign or police officer.

***Thought Questions:*** 1 Why do I need to make a lane change?

2. Is it safe to make this lane change?

3. What are the items I must check before I make this lane change?

4. What is the correct procedure for making a lane change?

5. What is a blind spot?
